REFLECT

(ri'fлект) – To think carefully and deeply about something

That's the goal of the word of God: to learn and understand it through study. Use these questions to help you dig deeper and personally apply what you're learning.

LOOKING BACK

❶ What questions do you most want answered in our study of Revelation?

❷ Which of the eight encouragements in this letter stands out to you most? Which ones do you relate to most? Which do you feel you need to hear the most?

❸ Philadelphia was a small, but faithful, church. Does that have any special relevance to you as a member of RockRidge Church?

❹ It is clear from Revelation that Jesus knows His church very well. He knows the cities they live in, He knows their works, He knows their character. What do you think Jesus would say about RRC, if He wrote one of these letters to us?

❺ What will Jesus do for His faithful church? What does it mean to be a pillar?
