What is a life group?

A Life Group is a group of Christians committed to one another. Life Groups come together at their own schedule—most choose to meet weekly—to read and discuss Scripture, worship, pray and perform loving outreach in their communities. In short, a Life Group operates as its own small church, with each member fulfilling an important role on the team. Life Groups offer Rockridge Church members an opportunity to serve in their home community and have an active church life apart from the usual worship and sermon services on Sunday morning.

What is a Micro Group?

The strategy of disciple making relies on the Holy Spirit working through a combination of Scripture, trusted relationships, and mutual accountability as one of the most effective means of true spiritual transformation.

A micro discipleship group at RockRidge Church is a group of 3 or 4 individuals who commit to coming together and using the discipleship manual "Discipleship Essentials" by Greg Ogden. This proven guide ,during the course of each study, helps in making mature followers of Jesus Christ. Micro group members are asked to consider repeating this process with 2 or 3 other individuals after finishing with the original group, thus helping RockRidge Church to realize its primary goal of making mature followers of Jesus Christ.
