

What is a Life Group?

A Life Group is a small group of people who endeavor to meet weekly. Members of a RockRidge Church Life Group discuss scripture with one another, worship the Lord together, and share in each others' spiritual growth. Life Group members support one another spiritually, physically and emotionally however and whenever possible, living as their own, self-sustained support system. Put shortly, A Life Group exists as a small church connected to the larger RockRidge Church.

Joining a Life Group...

Since every Life Group is required to be open for membership, joining is as easy as showing up for a meeting and expressing interest in being part of the group—though anyone looking to join a Life Group is encouraged to contact the Life Group Leader or Life Group Pastor first. Regular attendance and participation will allow anyone to be integrated into a Life Group and establish him/herself as a member.

Please take the time to look over the available groups contained within this pamphlet! You can track down a Life Group leader on Sundays or contact the RockRidge office to get in touch with me!
